The Document Upload stage is an integral part of an application. Read the information carefully and ensure the required documents are **certified** and uploaded.

Document Upload
In this section, you are required to upload the necessary documents:
 Domestic Applicants Passport or Birth Certificate A certified copy of your transcripts if required for eligibility requirements A signed <u>Parent/Guardian Consent Form</u> if you are under the age of 18 Permanent Residency visa or Australian Citizen Certificate - Only upload if you are not born in Australia and do not hold an Australian Passport
International Applicants Certified copy of your passport Certified copy of proof of English proficiency Certified copies of any relevant academic transcripts
What is a certified document? A certified (notarized) document is a copy of an original document, such as a birth certificate, academic transcript or proof of identity, that has been authorised (or stamped) as being a true copy of an original by an authorised person (e.g. There is a wide range of authorised occupations and office holders who may certify a document both within and outside of Australia. These include Accountants, Bank Managers, Barristers, Ministers/Clergymen, Police Officers or School Principals.) To obtain certified copies of your documents, you will need to take both an original and a photocopied version of the document to an appropriate authorised person. They will certify that the photocopy is a true copy of the original. The certification should include a statement such as "This is a true copy of the original document sighted by me" and include the name and address, contact phone number, profession or occupation of the person who certifies the documentation and date signed.
I you have completed previous study at AC, you are not required to certify your academic documents.
